

Rated UPF50 to help combat harmful UV rays, this tee also performs with Dry Zone® moisture-wicking technology to keep you cool, dry and comfortable.

- 3.8-ounce, 100% polyester
- Removable tag for comfort and relabeling

Due to the nature of 100% polyester performance fabrics, special care must be taken throughout the printing process.

*Given the extreme heat required for sublimation, please consult with your decorator. It is highly recommended to sample test product by color before production.*

Please note: This product is transitioning from tag-free labels to tear-away labels. Your order may contain a combination of both.

**CARE INSTRUCTIONS**

Machine wash cold, inside out with like colors, only non-chlorine bleach when needed. Tumble dry low. Do not iron. Do not use fabric softener.
